

Make sure your
top execs realize
there's no place
like home.

CUNA Mutual delivers an Executive Benefits package that will really click with your CEO or top executives.

With one-fourth of the credit union executives retiring in the next five years, headhunters will undoubtedly be on the prowl. Our experienced Executive Benefits Compensation team can customize a plan to help you retain your top executives. We've created programs for over 3,000 executives at 1,400 credit unions. No one comes close to that number, or has our expertise dealing with NCUA rules and IRS rules for not-for-profit entities.
